

Lesson Plan

Topic: Causes and effects of violence[bullying,mobbing,cyber bullying etc.]

Age: 15-17

Time:60 minutes

Specific content of lesson:

1. Lesson objectives:Students are divided into five groups and each group is given a specific topic. Students need to prepare a poster with the keywords given.Then each group is required to present the effects and causes of their topic related to violence .After the presentation students are given some time to make up a story related to their topic and are required to perform a drama as a role play.

2. Key words/ideas:Violence,cyber bullying,anger,fight,harrasment,safety,parenting,mobbing,bystanders,hurt,insecurity,abuse,call names,discrimination,equality,deceive,prejudice,racism,justice,harmony,value of individuals etc.

3. Methods, techniques:Role-play

4. Procedures:

Teacher activities:	Students activities:
Be sure whether the students understand the key word and the topic correctly.If they don't ,make them understand.	Choose the keywords related to their topic
Encourage the shy students especially to take part in the role play.	Brainstorming and organize the words on the poster and then write a brief explanation about the topic and present it to the others.
Help the students to find the correct expressions about the topic.	Make up a story about the story in the given time ,share the roles[each student should be given a role],prepare the replicas,organize the necessary equipment.

	Act the story in the class.
--	-----------------------------

5. Materials: Paper, board, glue, some photos [related to topic], scissors

5. Evaluation/homework: After each group's presentation, all students and the teachers choose the best drama group.
